FILED
CLERK'S OFFICE**DOCKET NO. 1456****BEFORE THE JUDICIAL PANEL ON MULTIDISTRICT LITIGATION****IN RE PHARMACEUTICAL INDUSTRY AVERAGE WHOLESALE PRICE
LITIGATION***County of Erie v. Abbott Laboratories, Inc., et al.*, W.D. New York, C.A. No. 6:05-6203**BEFORE WM. TERRELL HODGES, CHAIRMAN, JOHN F. KEENAN, D.
LOWELL JENSEN, J. FREDERICK MOTZ,* ROBERT L. MILLER, JR.,
KATHRYN H. VRATIL AND DAVID R. HANSEN, JUDGES OF THE PANEL*****TRANSFER ORDER**

Presently before the Panel is a motion by plaintiff in this action (*County of Erie*), pursuant to Rule 7.4, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001), to vacate the Panel's order conditionally transferring the action to the District of Massachusetts for inclusion in the Section 1407 proceedings occurring there in this docket. Responding on behalf of all *County of Erie* defendants, SmithKline Beecham Corp., d/b/a GlaxoSmithKline, favors inclusion of this action in MDL-1456 proceedings.

On the basis of the papers filed and hearing session held, the Panel finds that this action shares questions of fact with actions in this litigation previously transferred to the District of Massachusetts. Transfer of this action to that district for inclusion in the coordinated or consolidated pretrial proceedings occurring there will serve the convenience of the parties and witnesses and promote the just and efficient conduct of this litigation. The pending motion to remand to state court can be presented to and decided by the transferee judge. *See, e.g., In re Ivy*, 901 F.2d 7 (2d Cir. 1990); *In re Prudential Insurance Company of America Sales Practices Litigation*, 170 F.Supp.2d 1346, 1347-48 (J.P.M.L. 2001). The Panel further finds that transfer of this action is appropriate for reasons expressed by the Panel in its original order directing centralization in this docket. In that order, the Panel held that the District of Massachusetts was a proper Section 1407 forum for actions concerning whether (either singly or as part of a conspiracy) the pharmaceutical defendants engaged in fraudulent marketing, sales and/or billing schemes by unlawfully inflating the average wholesale price of certain prescription drugs in order to increase the sales of these drugs to health care professionals and thereby boost the pharmaceutical companies' profits. *See In re*

* Judge Motz took no part in the decision of this matter. In addition, four other Panel members who could be members of the putative class(es) in this litigation have renounced their participation in these classes and have participated in this decision. Alternatively, to the extent that their disqualifications should be determined for any reason to survive the renunciations, the Panel invokes the "rule of necessity" in order to provide the forum created by the governing statute, 28 U.S.C. § 1407. *See In re Wireless Telephone Radio Frequency Emissions Products Liability Litigation*, 170 F.Supp.2d 1356, 1357-58 (J.P.M.L. 2001).

- 2 -

Pharmaceutical Industry Average Wholesale Price Litigation, 201 F.Supp.2d 1378 (J.P.M.L. 2002).

IT IS THEREFORE ORDERED that, pursuant to 28 U.S.C. § 1407, this action is transferred to the District of Massachusetts and, with the consent of that court, assigned to the Honorable Patti B. Saris for inclusion in the coordinated or consolidated pretrial proceedings occurring there in this docket.
